

OLXLT3535 Federal Compact Single Chip White LED

Features and Benefits:

- High lumen output
- 115° viewing angle
- Compact packaging
- 8KV ESD protection
- Gold solder frame
- Available in red, green, blue, PCA
- Substraight options
- 3W available
- Tape & reel packaging: 500/reel, 4 reels/box, 5 boxes/carton

Applications:

- Interior: reading, dome, decorative
- Exterior: fog, rear, side, DRL, CHMSL lighting

Maximum Specifications: 1W	Cool White OLXLT3535-CW-1W-Z	Neutral White OLXLT3535-NW-1W-Z	Warm White OLXLT3535-WW-1W-Z
Color - K	4750-7550	3700-4250	2580-3700
Forward Current (mA)	350/700		
Package Size (mm)	3.5 x 3.5 x 2.30		
Junction Temperature (C)	125		
Light Output (lm)	150@350mA / 210 @ 700mA		
Thermal Resistance (Rth)	9C/W		
Operating Temperature (C)	-40 - +105		
Soldering Temperature (C)	260
